Re: Correction of amendment	CC:

☐ Urgent ☐ For Review ☐ Please Comment ☐ Please Reply ☐ Please Recycle

Sir,

The amendment submitted on November 13, 2002 for application serial number 09/975,240 included an error. Specifically, the error was that the serial number was incorrectly listed as 09/975,540. This error apparently resulted in the amendment not being matched with the application's file wrapper.

As you requested, I am sending you a corrected copy of the amendment. The serial number is corrected in the attached amendment.

Please reconsider the application as amended.

Respectfully submitted,

John Vanden Bosche

MAR 17 REC'D

Sir:

In response to the communication from the Examiner dated June 14, 2002, please amend the above identified application as follows:

In claim 1, line 3, please delete the word "an" and substitute therefore - -a permanent magnet- -.

In claim 6, line 1, after the words "The wind turbine of claim 1" please insert the phrase - -wherein said power circuit has a selectable duty cycle,--.

Please cancel claims 15 - 17.

REMARKS

Reconsideration of the application as amended is respectfully requested.

The Examiner has made a restriction requirement in the above identified application between claims 1-14 and claims 15-17. Applicant hereby elects without traverse the invention of Group I, claims 1-14. Claims 15-17 have been cancelled. Applicant notes that paragraph 4 of the Office Action indicates that claims 1-17 are withdrawn from further consideration by the Examiner. Applicant believes that this was in error and that the Examiner intended to indicate that claims 15-17 are withdrawn from consideration. Applicant understands that claims 1-14 are drawn to the elected invention and are still in consideration.

Claims 6 and 10 stand rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as
